

5	Urban Storage Industrial		<p>1500x450x750 steel frame Finished with solid wood or MDF with finer</p>			<p>This Urban Storage Industrial showcases a clean, contemporary design with a warm wood finish and a light, architectural feel.</p> <p>The asymmetrical compartments create visual interest while offering versatile space for storage and display. With its minimalist structure and balanced proportions, this piece fits effortlessly into modern industrial, and urban interiors.</p>	<p style="text-align: center;">Key Features</p> <p>Geometric Layout: Features an asymmetrical arrangement of open cubbies in various sizes, perfect for showcasing a curated collection of books, plants, and decorative objects.</p> <p>Industrial Contrast: The warm, rustic wood-grain panels are perfectly framed by a sleek matte black metal structure, capturing the essence of modern urban loft living.</p> <p>Versatile Function: With its slim profile and open design, it works beautifully as a hallway console, a unique room divider, or a creative storage solution in a home office.</p> <p>Structural Integrity: Built with a reinforced metal frame that provides exceptional stability while maintaining a light, airy aesthetic.</p>
6	CUBEX Modern TV Dresser		<p>1800x400x600 Aluminium elements finished solid wood or MDF with finer</p>			<p>This CUBEX Modern TV Dresser features a striking asymmetrical design that blends industrial aesthetics with modern functionality.</p> <p>It's a perfect centerpiece for a contemporary living room, offering a unique "stepped" silhouette that creates various levels for storage and display.</p>	<p style="text-align: center;">Key Features</p> <p>Dynamic Layout: The multi-level shelving provides the perfect space for media consoles, soundbars, and decorative items.</p> <p>Industrial Contrast: The warm, rustic wood-grain finish is beautifully balanced by sleek black metal supports and accents.</p> <p>Versatile Storage: Includes an enclosed cubby for organized storage and open-air shelving to prevent devices from overheating.</p> <p>Built to Last: Crafted with durable materials and supported by sturdy legs for maximum stability.</p>
7	Halfway wall Table Industrial		<p>1210x300x800 normal closed sliders steel frame solid wood or MDF with finer</p>			<p>This Halfway wall Table features a sleek, industrial-inspired design that combines minimalist lines with warm, natural textures. It is an ideal addition to a hallway, entryway, or living room, providing a stylish surface for decor without occupying too much floor space.</p>	<p style="text-align: center;">Key Features</p> <p>Industrial Elegance: The combination of a matte black metal frame and rich wood-grain accents creates a sophisticated, modern look.</p> <p>Functional Storage: Equipped with two spacious drawers featuring ergonomic handles, perfect for keeping keys, mail, and daily essentials organized.</p> <p>Slim Silhouette: Its narrow profile makes it a versatile choice for tight spaces like corridors or behind a sofa.</p> <p>Sturdy Foundation: The architectural box-frame base ensures excellent stability and long-lasting durability.</p>
8	Berlin Display Cupboard		<p>1800x350/450x2250 Soft closed sliders & hinges steel frame solid wood or MDF with finer</p>			<p>Combining classic charm with an industrial edge, the Berlin Display Cupboard is a statement piece designed for both elegance and high-capacity storage. Its two-tier design makes it an ideal centerpiece for a dining room or a sophisticated home office.</p>	<p style="text-align: center;">Key Features</p> <p>Showcase & Storage: The upper hutch features two sliding glass doors with a traditional window-pane design, perfect for displaying fine china or books while keeping them dust-free.</p> <p>Open Display: A central open shelving unit provides quick access to frequently used items or decorative accents.</p> <p>Organized Bottom Tier: The sturdy base includes six drawers and a central double-door cabinet, offering ample hidden storage for linens, media, or office supplies.</p>
9	Rustic Cupboard		<p>1800x350/450x2250 Soft closed sliders & hinges steel frame solid wood or MDF with finer</p>			<p>The Rustic Cupboard is a masterful blend of open-air design and substantial storage, making it a perfect fit for those who love the "industrial loft" aesthetic.</p> <p>Featuring a striking grid-like upper frame, it offers a grand stage for your library, art, or curated collectibles.</p>	<p style="text-align: center;">Key Features</p> <p>Architectural Open Shelving: The upper section features a slim black metal grid that creates sixteen distinct display compartments, providing an airy and modern feel despite its large scale.</p> <p>Massive Storage Capacity: The lower buffet section is equipped with six deep drawers and a central double-door cabinet, ensuring plenty of hidden space for household essentials.</p> <p>Textured Rustic Finish: Crafted with high-quality wood grain panels that offer a warm, organic contrast to the cold, structural lines of the black metal frame.</p>

10	Connell Cupboard		<p>1000x450x1000 Soft closed sliders & hinges steel frame solid wood or MDF with finer</p>			<p>The Connell Cupboard offers a more compact yet equally striking vertical storage solution perfect for smaller dining areas or as a sophisticated display unit in a home office. It maintains the signature industrial look with a tall, slender profile that maximizes vertical space.</p>	<p style="text-align: center;">Key Features</p> <p>Clear Display Section: The top half features a large, glass-enclosed display area with an internal shelf, framed in bold black metal to highlight your favorite decor or glassware.</p> <p>Mixed Storage Base: The lower section provides a versatile combination of two wide top drawers, one large cabinet door, and four smaller stacked drawers for precise organization.</p> <p>Industrial Silhouette: Defined by a thick, matte black metal outer frame that contrasts beautifully against the light wood-grain panels.</p> <p>Minimalist Hardware: Each drawer and door is finished with sleek, horizontal black pull handles, ensuring a clean and modern aesthetic.</p>
11	Rustica Prime Cupboard		<p>1000x450x1000 Soft closed sliders & hinges steel frame solid wood or MDF with finer</p>			<p>The Rustica Prime Cupboard is the ultimate storage solution for those who prioritize a clean, organized aesthetic without sacrificing industrial character. Swapping glass for solid wood-grain doors, this tall cabinet offers a fully enclosed, seamless look that keeps your belongings neatly tucked away</p>	<p style="text-align: center;">Key Features</p> <p>Maximum Hidden Storage: The expansive upper cabinet features large double doors, providing a massive amount of "clutter-free" space for everything from bulky kitchen appliances to office archives.</p> <p>Multi-Tiered Organization: The lower section mirrors the versatile Connell design, featuring two wide central drawers, a side cabinet, and four smaller drawers for precise sorting.</p> <p>Industrial Frame: The entire unit is encased in a bold, architectural black metal frame that provides superior structural integrity and a modern edge.</p> <p>Warm Natural Texture: The large surface area of the solid wood-grain panels brings a warm, organic feel to the room, perfectly balanced by the matte black hardware.</p>
12	Ironwood Cross Coffee Table with 2 Drawers		<p>1600x700x450 Soft closed drawers Aluminium and teak</p>	Rp 5.250.000		<p>The Ironwood Cross Coffee Table is a bold, sculptural piece that redefines modern living room furniture. It's heavy, solid silhouette is broken by a distinctive black metal cross-inlay, giving it a powerful architectural presence that anchors any seating area.</p>	<p style="text-align: center;">Key Features</p> <p>Architectural Centerpiece: The signature black metal "cross" design isn't just structural; it creates a stunning visual contrast against the rugged wood-grain surface.</p> <p>Hidden Functionality: Equipped with two seamless, push-to-open drawers, providing ample space to hide away remotes, magazines, and coasters without disrupting the table's clean lines.</p> <p>Low-Profile Luxury: The substantial, block-like design offers a grounded, high-end feel while maintaining a modern, low-profile height.</p> <p>Industrial Durability: Built with high-quality, textured wood panels designed to withstand daily use while maintaining its rustic, raw charm.</p>
13	Ironwood Forge Coffee Table		<p>1000x600x450 Soft closed sliders steel frame solid wood or MDF with finer</p>			<p>The Ironwood Forge Coffee Table is a masterclass in industrial transparency, designed to create a sense of space while offering substantial storage. It's unique "floating" drawer unit encased in a minimalist frame makes it an ideal choice for modern living rooms that value both style and openness.</p>	<p style="text-align: center;">Key Features</p> <p>Tempered Glass Top: The crystal-clear glass surface provides a durable, heat-resistant top that allows you to see the beautiful wood grain of the storage unit below.</p> <p>Elevated Storage: Featuring a central wood-block unit with two spacious drawers, providing a "floating" aesthetic while keeping essentials neatly tucked away.</p> <p>Architectural Open Frame: The bold black metal box-frame offers a robust foundation while maintaining an airy, unobstructed look that makes smaller rooms feel larger.</p>

14	FORGE Frame Coffee table		1200x600x450 steel frame solid wood or MDF with finer		<p>The FORGE Frame Coffee Table is a masterclass in minimalist industrial design, focusing on raw materials and clean, architectural lines. It serves as a solid foundation for any modern living space, offering a rugged yet refined surface for your daily essentials.</p>	<p style="text-align: center;">Key Features</p> <p>Minimalist Silhouette: The design strips away the unnecessary, featuring a wide, open-frame base that creates a sense of light and space in your room.</p> <p>Rugged Textures: A thick, high-quality wood-grain tabletop provides a warm, organic contrast to the cold precision of the metal frame.</p> <p>Engineered Stability: The unique dual "U-frame" base ensures maximum stability while offering a distinct geometric look from every angle.</p> <p>Industrial Durability: Built to last with a heavy-duty powder-coated steel frame and a surface designed to handle the rigors of everyday life.</p>
15	FORGE Entryway Bench		1200x400x450 soft closed hinges steel frame solid wood or MDF with finer		<p>The FORGE Entryway Bench is a highly functional and stylish addition to any home, designed to keep your entryway organized while providing a convenient spot to sit. Its robust, industrial build ensures it can handle the daily traffic of a busy household.</p>	<p style="text-align: center;">Key Features</p> <p>Premium Comfort Top: Features a high-quality, 10cm thick padded cushion on top, providing a soft and comfortable seat for putting on or taking off shoes.</p> <p>Versatile Storage: Includes a combination of two wide open shelves for easy shoe access and a closed cabinet for keeping seasonal gear or accessories out of sight.</p>
16	FORGE Square Side table		450x450x450 steel frame solid wood or MDF with finer		<p>The FORGE Square Side Table is a compact yet impactful piece that perfectly distills the industrial-modern aesthetic. Its symmetrical, geometric design makes it a versatile companion for any sofa, armchair, or even as a minimalist bedside table.</p>	<p style="text-align: center;">Key Features</p> <p>Geometric Precision: The perfect cube-shaped frame provides a clean, architectural look that complements both minimalist and eclectic interiors.</p> <p>Textured Top: Features a thick, durable tabletop with a rich wood-grain finish, offering a warm and natural touch to the industrial base.</p>
