

ABOUT OUR COMPANY

International-Scale Furniture Company, **Metal and Wood** Collection

DAF Decorations was founded out of passion and craftsmanship. Established **three years ago** by Frans and his wife,

With over 30 years of experience in metal, stainless steel, and aluminum fabrication, and more than 10 years in the furniture industry.

WOOD FURNITURE COMBINE METAL

Our company has grown into a trusted name in custom metal and wood furniture built with precision, quality, and heart.

At DAF Decorations, steel and wood are more than just materials they are a reflection of dedication and creativity.

Our collections combine industrial strength with natural warmth, creating timeless pieces designed to last for generations.

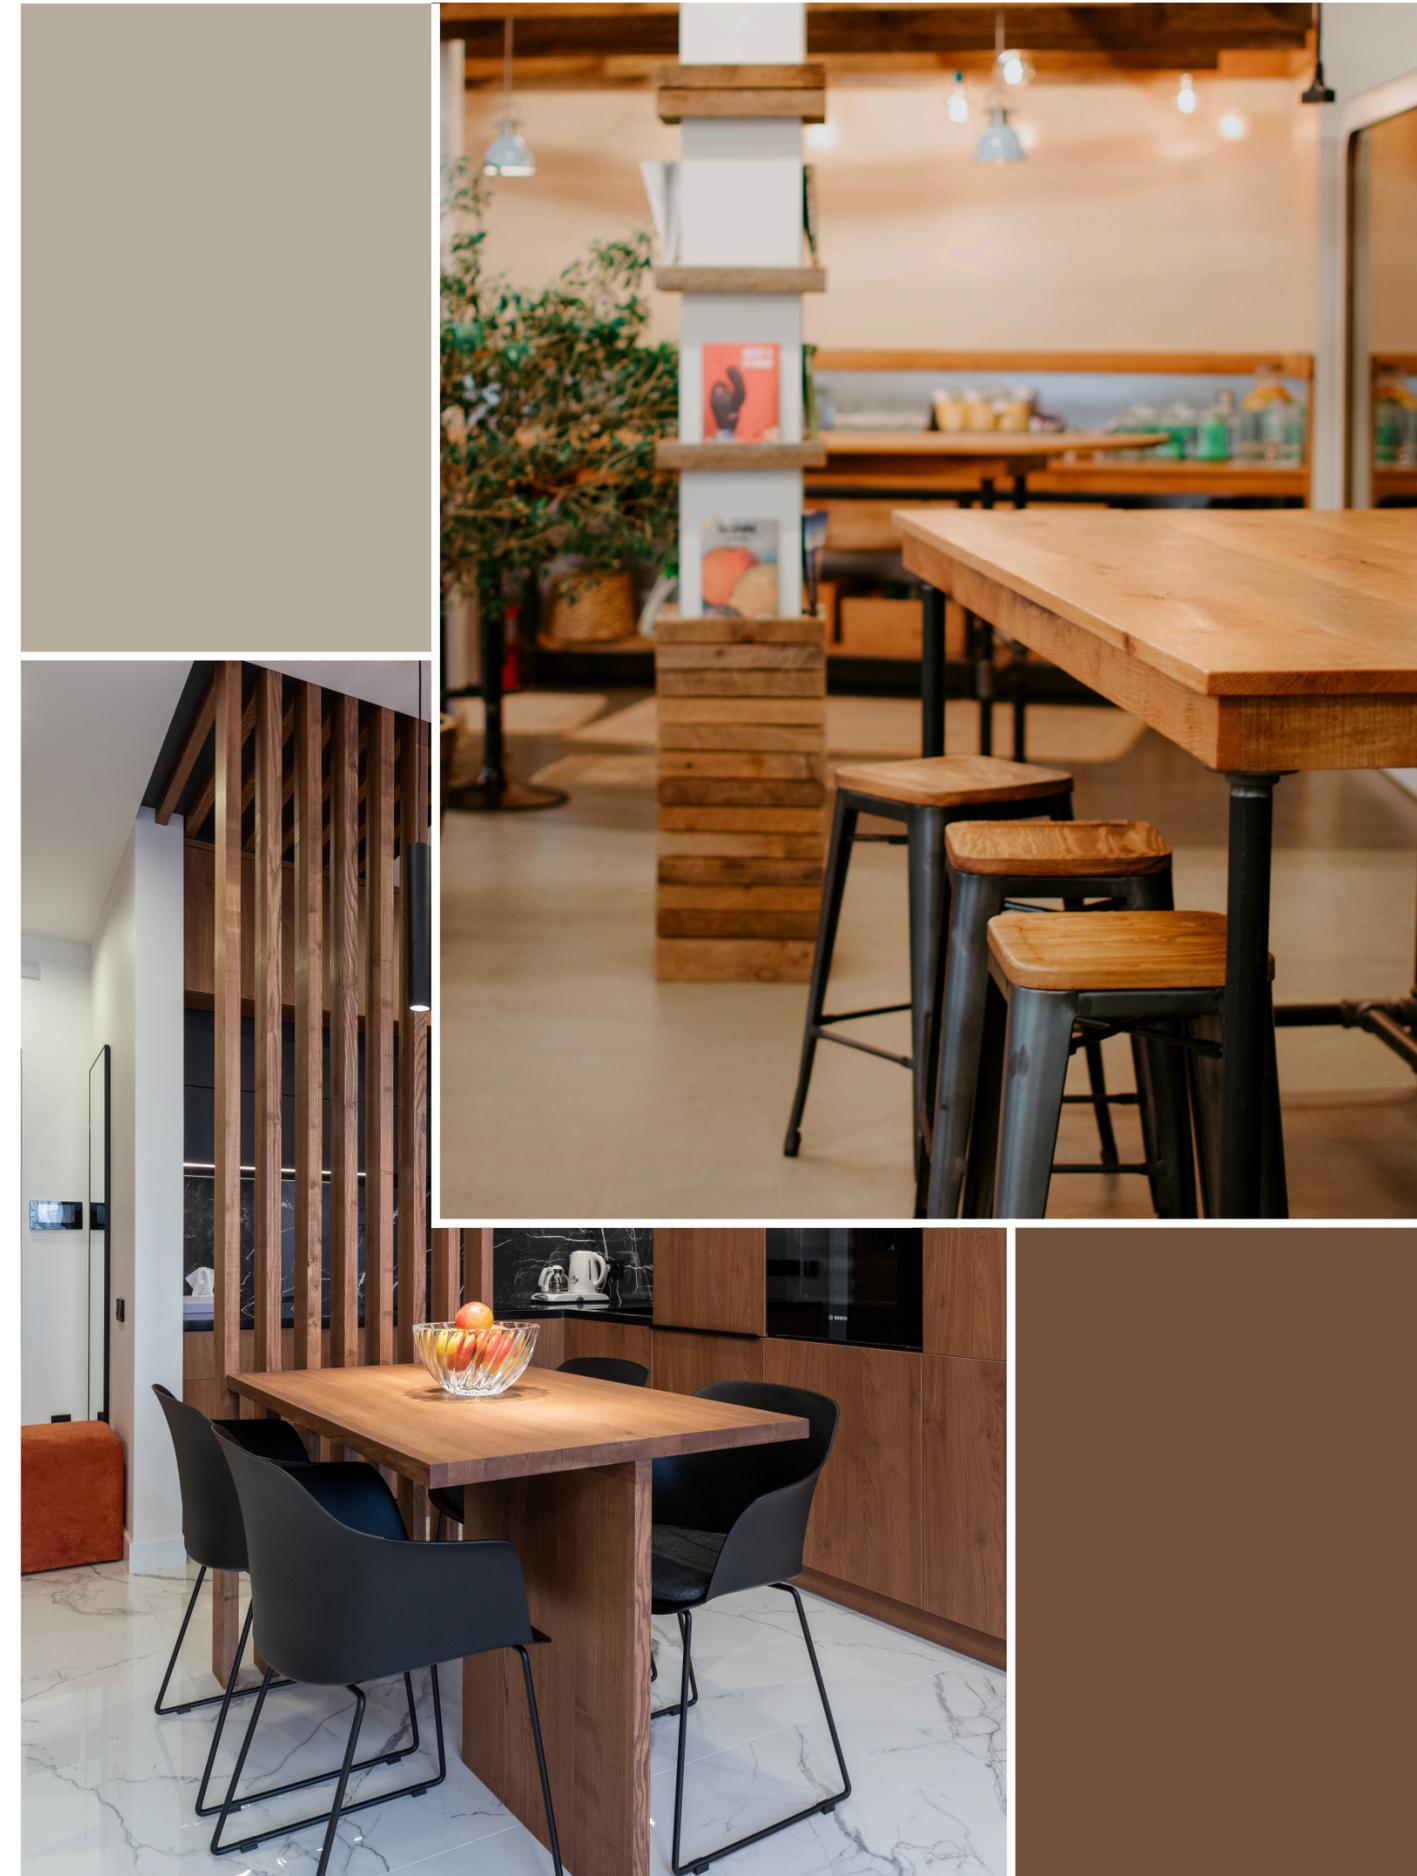

METAL COLLECTION

High-quality steel frames, table legs and structures with powder coating.

Let's Choose What You **Needed** of Furniture Product

Our collection is harmony of
combination between metal and
wood.
